## Dear Parents & Children

On Thursday and Friday I had the privilege of joining Year 6 on their School Journey trip to Suffolk. The class were a delight to spend time with on the beach, fishing for crabs and going out on a night walk to see stars and the brightest of moons.

All Country Trust Hosts commented that Hague Pupils showed great interest in learning about the environment, they were keen to try new outdoor experiences and had very good manners. Their behaviour was a credit to the school. Thank you and well done Year 6.

I also want to thank the fantastic team of staff who prepare all the admin for Suffolk each year and teaching staff who give their time and talents to make school journey such a special experience for all children outside of the normal school day. They do a really great job of sharing the 'awe and wonder' of Suffolk as well as taking very good care of pupils day and night. We know these memories will last a lifetime.

PTO for photos and see the PPT in foyer.

Hague has been going to Suffolk since 1994. Roll on 2018 for Year 5!

# Year 6 Go off to Suffolk

For nearly 25 years The Country Trust has been working with Hague. They financially sponsor 1/4 of the costs, about £1250. The volunteers at each of the education centres give their time freely to ensure that our city children experience life outside of London where they can be a bit free and relaxed to learn outside using senses to see, feel, hear, smell and taste the country and coast. This week children will be writing to the hosts to express their thanks and appreciation.

Where children learn and grow

Minsmere, sandy beach and cold waves which were very tempting to paddle in the next day.

Enjoying a tasty meal, chatting with friends. Everyone had to help set up and clear away the meals. Team work!

So much to see and do, collect. Teamwork for shelter building, learning about the importance of forestry, classifying insects.

THE SPANISH WORD OF THE WEEK IS...

**por favor**

...which means...

**please**

Collect the other European words for 'Hello' and enter the prize draw.

The Night Walk, inspires many scary stories.

1st night, 'scaredy cats', 2nd night confidently enhancing vocabulary to describe the moon and star lit surroundings.
