Dear Parents & Children

It has been really nice to see how well all of our children have settled in to their new classes this year. We offer a special welcome to the 10 new children who have started at Hague this term in a variety of different classes. We hope you enjoy life and work at Hague.

There is a real 'buzz' for learning across the school and playtimes have been a pleasure to watch as friends reconnect after the summer holiday and include new people.

Many thanks to families who have supported their children with the Tower Hamlets Reading Challenge and homework activities in preparation for their new class. Well done to children for being organised and remembering. Look forward to receiving certificates.

Last week the children were thinking about Class Charters, new curriculum topics, switching on mathematical brains, developing their creative talents with a bit of sport and fitness thrown in. We aim for 30 minutes of physical activity for everyone everyday. Learning Mentor and Teaching Support Staff had 'Active Kids All' Training sponsored by Sainsburys delivered by Sports Coach UK Education. The focus is on inclusivity and activity for all.

This week teachers and pupils have been more focused on the literacy and numeracy themes with class and homework routines being established. Have a good weekend. See you next week at Meet the Teacher Sessions.

HAGUE BOYS FIRST TO PLAY 'STREET CRICKET' ON DOWNING STREET.

Never been done before.

Yesterday was the first time that a sport had been played outside No 10.

The Prime Minister invited Chance to Shine kids to play her favourite game outside her front door. She enjoys watching the cricket, listening to Test Match Special on the Radio and even baked Chocolate Brownies for the TMS team of cricket presenters who love their tea and cake.

Our Year 6 boys, Eshaan, Zidanur, Suleyman, Rihab and Sayed enjoyed talking to Theresa May, posing for pictures and had lots of fun. They particularly enjoyed their juice and biscuits inside No 10 followed by the opportunity to explore the State Dining Room, visit former prime ministers' offices and see paintings and portraits of previous Prime Ministers. It was a truly memorable experience thanks to the charity, 'Chance to Shine' which over the years has really given Hague children so many inspiring opportunities beyond the game of cricket.

- Children must wear Hague PE kit for each session. Failure to do so means the children are not taking part safely.
- Parents will be asked to collect children who do not have PE kit that includes trainers.
- **If children miss 2 or more club sessions the place may be offered to another child.**
- The school has to have maximum participation and attendance figures to show impact of School Sports Funding.

The after school clubs are currently still offered for free at Hague.

- Many schools in Tower Hamlets are now charging £2:00—£5.00 per session.
- **If your child signs up for a club, they must attend for the whole course regularly.**
- We will prioritise children who attend regularly, behave well, make an effort to improve fitness and skills.
- **Both single working parents and working parents will be given priority for after school clubs, to support child care up to 4:30pm.**
- Please make sure that your child/ren are collected on time at 4:30pm.

If you have concerns about your child's physical fitness, diet, eating habits or weight, please do talk to John or Alice as school may be able to offer further support.

HEALTHY SCHOOL GOLD CHOICES AT HAGUE

As a member of the Tower Hamlets Healthy Schools with Gold Award, we want pupils learn how to make healthy lifestyle choices.

PARENTS: Please support children by offering fresh fruit or raw vegetables like carrot or cucumber sticks and water after school as a quick refreshment— if needed.

Too many children in Tower Hamlets and in Hague playground are observed having sweets, crisps, biscuits, ice-cream on the way home. This affects teeth and weight.

Hague School's Healthy Eating Policy is:

No sweets, crisps, chocolate, chewing gum or sugary drinks on trips, in school, in the playground before or after school.

We ask parents to respect this and keep them for occasional treats at home.

At Hague we do not have birthday cakes, sweets or party bag gifts.

Children's birthdays are celebrated and recognised in assembly each week.

This saves families money and stops the pressure from children to buy things for up to 30 children.

Teachers do not host parties or give out treats in line with risk assessments for allergies and healthy eating.

We have Eid and Xmas parties with occasional events which permit treats for all. **Please support and respect our efforts.**
